In some cases, based on the size of your balance, the interest accrued, may be greater than the amount of your next regular payment. It may take several payments to begin to reduce your principal balance. Following the skipped payment month, the loan will revert back to the original payment schedule. DFCU has the right to refuse any skip-a-payment request. Loan must be current at time of request. Dynamic FCU must receive the skip a pay request form at least 5 days prior to the loan due date.
